Neeraj Kumar

B.S. Artificial Intelligence Student · SZABIST Karachi
Karachi, Pakistan | +92 336 0123263 | lalwanineeraj550@gmail.com | LinkedIn | GitHub | Portfolio

OBJECTIVE

AI undergraduate (3rd semester) with hands-on experience building NLP, deep-learning and computer-vision projects in Python and PyTorch, plus a team-built full-stack AI system. Seeking an AI / ML / software internship to contribute to real-world projects while growing my engineering skills.

EDUCATION

Bachelor of Science in Artificial Intelligence 2025 – Present
Shaheed Zulfikar Ali Bhutto Institute of Science and Technology (SZABIST), Karachi · Current Semester: 3rd · Expected Graduation: 2029

TECHNICAL SKILLS

Languages: Python (Intermediate), C/C++ (Basic), HTML (Basic)
AI / ML: PyTorch (LSTM), scikit-learn, NLTK, TF-IDF / cosine similarity, YOLOv8 (Ultralytics), object tracking, Generative AI, AI voice agents (VAPI), Microsoft Copilot Studio
Web & Data: Flask, React, MySQL, deep-translator, music21
Tools: Git/GitHub (Basic), Microsoft Office, Google Workspace, AI-assisted development tools
Coursework: Fundamentals of ML, Data Structures (Arrays, Stacks, Queues), Digital Logic Design, Programming Fundamentals

PROJECTS

RailNova – AI-Powered Railway Management System 2026
Team Project · 5-member team · React, Flask, MySQL
- Built a railway platform with real-time train tracking, ticket booking, seat reservations, automated scheduling, an AI delay predictor and an admin dashboard
- Presented at ZAB-E-FEST 2026, SZABIST's annual tech showcase, and received a Certificate of Achievement

CodeAlpha AI Internship Projects (4 tasks) Aug – Sep 2026
Personal work · Python · github.com/Neeraj3456
- Language Translation Tool: Flask web app translating 13+ languages in real time with text-to-speech playback (deep-translator)
- FAQ Chatbot: NLP chatbot matching questions to a knowledge base with TF-IDF and cosine similarity (NLTK, scikit-learn)
- Music Generation with AI: trained a 3-layer LSTM in PyTorch on MIDI note sequences (music21) to compose original music exported as playable MIDI
- Object Detection & Tracking: real-time YOLOv8 detection with a custom centroid-based tracker that assigns persistent IDs in video

Python OOP Projects 2026
Self-directed practice · Arch Technologies training track
- Dice Rolling Game, To-Do List App, Number Guessing Game and ATM Simulation, applying OOP, control flow and exception handling

EXPERIENCE & LEADERSHIP

Python & AI Intern Aug – Sep 2026
CodeAlpha · Remote
- Completed all 4 AI-domain tasks end to end (see Projects) and published the code on GitHub

Team Lead, Azadi Squad — Genz Changemaker 29 Jul – 16 Aug 2026
Hammad Foundation · Azadi Internship 2026
- Led a team through tree plantation, kitchen gardening, fire safety/CPR training, a heritage walk and the World's Biggest Beach Cleanup at Seaview
- Earned a Certificate of Achievement and Shield of Appreciation

Campus Ambassador 3 Aug – 29 Sep 2026
Karachi Youth Summit (KYS) · Alkhidmat Karachi
- Promoted KYS events and campaigns on campus, connected the KYS team with students and supported awareness sessions and workshops
- Closed out the role by attending the Karachi Youth Summit at Expo Centre Karachi

Campus Ambassador 2026 – Present
PTE Pakistan · Pearson Test of English
- Guide students on PTE preparation and study-abroad pathways, including referrals for exams, classes and mock tests

Campus Ambassador 2026 – Present
Builders Hub
- Connect students with learning opportunities and grow a community of builders and innovators on campus

Director of Events & Operations, ASME SZABIST Society 2026 – Present
SZABIST Karachi
- Lead event planning and operations for the campus ASME society, coordinating team members and technical events and activities

Digital Skills Training Program: Python for AI 2026
SEDF · AshreiTech, National Aerospace Science & Technology Park (NASTP), Karachi
- Selected for a training program strengthening Python, AI and problem-solving skills

SELECTED CERTIFICATIONS

- Create Agents in Microsoft Copilot Studio: Microsoft (Apr 2026)
- Certificate of Achievement: ZAB-E-FEST 2026, SZABIST (Jun 2026)
- Certificate of Achievement: Azadi Internship 2026, Hammad Foundation (Aug 2026)
- Certificate of Completion: TechPreneurs Lab Summer Camp 2026, Lincoln Corner PACC (Aug 2026)
- Generative AI Mastermind: Outskill (2026) | Building AI Voice Agents with VAPI: DataCrumbs (Feb 2026)
- Build with AI: Deployment Masterclass: GDGoC, DHA Suffa University (2026)
- Introduction to Cybersecurity Awareness (Apr 2025) and AI for Beginners (May 2025): HP LIFE, HP Foundation
- SUSTAINEXT 5-Day Sustainability Workshop & Summit: SERVE3 x C.A.N 1.5°C (Jul 2026)
- Best Performance Trophy, 1st Position, Graphics Designing: Super Sys-Tech Computers Centre, Umerkot (2024)

VOLUNTEER EXPERIENCE & ACTIVITIES

- Green Heart Volunteer (GHV-2030), Green Heart Movement / Taskeen Health Initiative: mental health awareness (May – Jul 2026)
- Student Volunteer, Alkhidmat Foundation (2026) | Volunteer, Karachi Team, Voice of Hope (2026)
- Volunteer, Funoon Forum (2026)
- Volunteer, Job Fair 4.0, Pakistan Hindu Council: managed event activities and guided attendees (2025)
- Delegate, Maheshwari Youth Parliament 2026 (MUN): debate, diplomacy and public speaking
- Attendee: KhiNext 2026 AI & Innovation Summit, Aptech Vision 2026, ITCN Asia 2026 (Sep 22–24), Karachi Youth Summit 2026 (Sep 29), Baithak 7 – Build Your First AI Agent (Oct 2026); campus visit to TCF Cowasjee Campus

Soft Skills: Analytical Thinking, Problem Solving, Fast Learner & Adaptability, Teamwork, Communication
Languages: English, Urdu, Sindhi
