

Neeraj Kumar

B.S. Artificial Intelligence Student · SZABIST Karachi

Karachi, Pakistan | +92 336 0123263 | alwanineeraj550@gmail.com | [LinkedIn](#) | [Portfolio](#)

OBJECTIVE

Motivated Artificial Intelligence undergraduate with hands-on project experience in AI-powered system development, seeking a summer internship to apply skills in machine learning, programming, and data analysis, and to contribute to impactful, real-world projects.

EDUCATION

Bachelor of Science in Artificial Intelligence

2025 – Present

Shaheed Zulfiqar Ali Bhutto Institute of Science and Technology (SZABIST), Karachi · Current Semester: 2nd · Expected Graduation: 2029

TECHNICAL SKILLS

- **Programming:** Python (Intermediate), HTML (Basic), C/C++ (Basic)
- **AI & ML:** Fundamentals of Machine Learning, Digital Logic Design, building agents with Microsoft Copilot Studio, working knowledge of AI-assisted development tools
- **Data Structures:** Arrays, Stacks, Queues
- **Tools:** Microsoft Office (Word, Excel, PowerPoint), Google Workspace, Git/GitHub (Basic)

PROJECTS

RailNova – AI-Powered Railway Management System

2026

Team Project · 5-member team · React frontend, Flask backend, MySQL

- Collaborated with a team of 5 to design and build an AI-powered railway management platform
- Implemented real-time train tracking, ticket booking, seat reservations, automated scheduling, an AI delay predictor, and an admin dashboard
- Presented the project at ZAB-E-FEST 2026, SZABIST's annual tech showcase, and received a Certificate of Achievement

Python OOP Projects

2026

Personal / Self-Directed Practice

- Built four hands-on Python projects: Dice Rolling Game, To-Do List App, Number Guessing Game, and ATM Simulation
- Applied control flow, exception handling, randomization, and object-oriented design in practical scenarios

EXPERIENCE & AMBASSADORSHIPS

Campus Ambassador

2026 – Present

PTE Pakistan · Pearson Test of English

- Guide students on PTE exam preparation and study-abroad pathways, including referrals for exams, classes, and mock tests

Campus Ambassador

2026 – Present

Builders Hub

- Connect with students to promote learning opportunities and foster a community of builders and innovators on campus

Python Programming Intern

10 Aug – 10 Sep 2026

CodeAlpha

- Selected for a Python Programming internship focused on hands-on application projects and deepening core programming skills

Self-Directed Python Development Track

May – Jun 2026

Arch Technologies · Unpaid training program

- Completed a structured set of Python projects (Dice Rolling Game, To-Do List App, Number Guessing Game, ATM Simulation) to strengthen OOP and problem-solving skills
- Delivered terminal-style output documentation and formatted submission reports ahead of the program deadline

CERTIFICATIONS

- Create Agents in Microsoft Copilot Studio — Microsoft (Apr 2026)
- Generative AI Mastermind — Outskill (2026)
- Building AI Voice Agents with VAPI — DataCrumbs (Feb 2026)
- Build with AI: Deployment Masterclass — GDGoC, DHA Suffa University (2026)
- Introduction to Cybersecurity Awareness — HP LIFE, HP Foundation (Apr 2025)
- AI for Beginners — HP LIFE, HP Foundation (May 2025)
- 3-Day SEO Workshop — Aptech Gulshan-e-Iqbal (Apr 2026)
- SUSTAINEXT: 5-Day Sustainability Workshop & Summit — SERVE3 x C.A.N 1.5°C (Jul 2026)
- Campus Ambassador Offer Letter — Builders Hub (2026)
- Certificate of Participation — Maheshwari Youth Parliament 2026 (MUN Delegate)
- Python Programming Internship Offer Letter — CodeAlpha (2026)

VOLUNTEER EXPERIENCE

Azadi Squad — Genz Changemaker

2026

Hammad Foundation · Azadi Internship — supporting community initiatives across food, health, water, and skills

Green Heart Volunteer (GHV-2030)

May – Jul 2026

Green Heart Movement, Taskeen Health Initiative — raising mental health awareness and improving access to services across Pakistan

Student Volunteer

2026

Alkhidmat Foundation — community-focused initiatives; developing leadership, teamwork, and communication skills

Volunteer, Karachi Team

2026

Voice of Hope (VOH) — community initiatives promoting empowerment and social well-being

Volunteer, Job Fair 4.0

2025

Pakistan Hindu Council — organized and managed event activities, coordinating with participants and guiding attendees

OTHER ACTIVITIES

- Delegate, Maheshwari Youth Parliament 2026 — represented BAP's Khalid Hussain Magsi; practiced debate, diplomacy, and public speaking

Soft Skills: Analytical Thinking, Problem Solving, Fast Learner & Adaptability, Teamwork, Communication

Languages: English, Urdu, Sindhi
